## ■ Our logistical services

- Among the 5 french leaders in solid bulk
- General goods in tilt or flat trailers
- Powder and liquid bulk in tank
- Storage, handling and retailing
- Transport organisation (global services)
- Industrial vehicles renting
- Organisation of intermodal logistical chains (sea, river, railway...)

## ■ Our means

Our truck fleet consists of 150 trucks members of the SELI network. These vehicles are operated by our locations and drive all over the European Community.
